1. It is understood that [] of the Office of the General Counsel and [] of this Division discussed the attached claim on 16 November 1954 with regard to the legality of said claim, and that [] stated in his opinion he could see no basis for allowing this claim as the shipment of the automobile took place in July 1952, whereas subject's authorization to ship an automobile, at Agency expense, was not issued until 26 March 1953.
